Moreover, amendments to the specification must be made by submitting an instruction which unambiguously identifies the location to replace a paragraph with one or more replacement paragraphs (37 C.F.R. §1.121(b)(1)). Applicants respectfully submit that instructions which unambiguously identify the location to replace a paragraph with one or more replacement paragraphs include "Please replace the paragraph beginning on page 18, line 21 and ending on page 18, line 25 with the following amended paragraph" and "Please

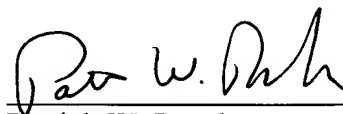

replace the paragraph beginning on page 22, line 28 and ending on page 23, line 5 with the following amended paragraph" (amended specification).

Specifically, the amended specification states "Please replace the paragraph beginning on page 18, line 21 and ending on page 18, line 25 with the following amended paragraph" and "Please replace the paragraph beginning on page 22, line 28 and ending on page 23, line 5 with the following amended paragraph". Accordingly, Applicants respectfully submit that the amended specification is compliant with 37 C.F.R. §1.121.

Applicants respectfully submit that no fees be charged for filing this response to the Notice because the amended specification is compliant with 37 C.F.R. §1.121. Regardless, in accordance with 37 C.F.R. 1.136(a) and 37 C.F.R. §1.17(a)(2), an authorization to charge a deposit account for a two-month extension of time, from July 13, 2004 thru and including September 13, 2004, is submitted herewith.
